

IN THE SPECIFICATION:

Applicant submits herewith a Substitute Specification, both a clean copy and a marked-up copy, to correct various translational errors from the priority document, Korean patent application number P2000-0079375. A verified translation of the priority document is filed concurrently herewith. As the errors were inadvertent and the corrections to the specification have been made to conform to the priority document, Applicant submits that no new matter has been added and respectfully requests that the Substitute Specification be entered.
